

➤ **Shringar Dabba.** Shringar enhances the beauty of any woman. This cookie tin is given a new lease of life as a box to keep trinkets. The bright and vibrant colours complements the look and pattern of the Shringar dabba. This is part of the reuse-rework-upcycle series. *Art by Aarohi*

➤ **The Baba Collection.** Have a close encounter with the mystic, Sadhus, Shiva and Banaras local women in their fineries for company. As Banaras for a muse, this collection has characters that will live with you forever. *Chungi*

➤ **Tota Atta Dabba.** One of the three old atta and dal dabbas, this dabba like others was over 20 years old. It needed a face lift. With totas and lotus flowers motifs, this product is part of the reuse-rework-upcycle series. *Art by Aarohi*

➤ **Art By Aarohi Logo Pouch.** A pouch makes for a beauty statement. This multi-purpose pouch has two pockets on either side for credit card/ money and phone with a key ring attachment eyelet on the top. The surface print is the Art By Aarohi logo. *Art by Aarohi*

← **Blue Side Table.** Having a blue side table adds a cool quotient to any mundane corner of the room. Its new style and dramatic look promises to uplift your mood and bring in a personal touch. *Design Gandhi*

➤ **Blue Coaster.** Blue adds a splash of colour to your surroundings. These four alphabets blend so perfectly to place it as a coaster with a own special voice. The typography is a visual treat. Blue coasters flaunts a whimsical and contemporary look. *Design Gandhi*

Design Gandhi.

Hardik Gandhi, a post graduated in Industrial Design from NID (Ahmedabad), heads Design Gandhi. It is an award winning design studio committed to designing of product, furniture, packaging, accessories and selected branding and spatial design projects by offering their individualised solutions.
